The Sew Together Bag is versatile bag; which can be used for everything from cosmetics to sewing notions. This bag provides an opportunity to mix & match your fabrics as it uses smaller quantities – so go coordinated or scrappy with your fabric selection – have fun – experiment!

- Exterior fabric: 1 fat quarter (18"x 22")
- Lining fabric: .5 m x width of fabric (WOF)
- Pocket lining: .3 m x WOF
- Binding fabric: 1 fat quarter (18"x 22")
- Fusible interfacing: .5 m of medium weight interfacing
- 1x18" (45cm) zipper - nylon coil or a dressmaker's zipper (this zipper forms your handles) match or contrast to your exterior fabric
- 3 x 9" (23cm) zippers nylon coil or a dressmaker's zipper (avoid metal teeth for your first bag)

Thread: For use in topstitching – pre-wind 4-5 bobbins to match your fabrics and zippers so when you have a contrasting fabric the bobbin thread will match & will save time in the class too! Or pick one colour of thread and use it everywhere.
