

Playing in the Trees - Supply list:

Susan Teece

Finished wall hanging - approximately 20" by 30", portrait style.

Tree Trunk Fabrics:

Interesting, printed fabric scraps in a variety of colours, including black and beige. Kaffe Fasset prints work well as they have a mixture of colours.

Before class, cut some strips 1 inch wide by WOF.

Foliage Fabrics (leaves, boughs):

4 - 6 pieces - Look for prints with a **mix of light to dark greens** and maybe some other colours. Landscape prints work well. 10" squares and scraps.

Sky and Water - The two blues should relate to each other.

21" by 14" - Sky is lighter blue, ombre work well.

21" by 14" white - for the optional painted sky

21" by 6" - water is medium blue.

Foreground fabric:

21" by 12" - greens, darker shades, (prints with foliage, rocks or grasses)

Useful extras - prints with small animal images for fussy cutting.

Batting - .6 metre (22" by 32")

Backing - .6 metre (22" by 32")

Fusible web (paper backed) - 1 metre

Parchment paper (roll this, do not fold)

Thread - assorted colours - **variegated threads are best.** Neutral, pale blue sky colour, water colour, greens, as well as black.

Bring bobbins, filled with black thread and white thread.

Sewing machine in good working order - remember to pack extra machine needles (top stitching and quilting) and bobbins.

- good shears
- good small 'snippy' scissors
- pins, and the other usual notions.
- phone or camera for photos
- Design board if you have one
